

Coastal Georgia Athletics Booster Club

1303 Grant St, Brunswick, GA 31520

President: Adrienne Bagley

Dear Parents,

Welcome to the CGA Booster Club! My name is Adrienne Bagley, and I am the CGA Booster Club President for the 2023-2024 season. The booster club members are parent volunteers with the sole purpose of supporting the gym and its athletes.

The booster club organizes fun events for the gym, including the big/lil reveal, team bonding parties, the Christmas party, team send-off baskets, and the end-of-year banquet. We will host fundraisers to help pay for these events and to help alleviate the athletes' costs to attend post-season bid events. The first \$140 your child earns through the individual fundraisers will go towards booster club events. The next \$240 your child earns will be reserved in an account to go towards post-season bid events. Any remaining money in the athlete's individual fundraiser account will be returned to the athlete's family to help pay for post-season bid expenses.

Please scan the below QR code and complete the Booster Club Contact Form. If you have any questions, please reach out to us through your team's Facebook page or team text line. We hope your experience at CGA is as wonderful as ours.

Sincerely,

Adrienne Bagley
CGA Booster Club President
